RUSSELL HOBBS 27390-56 Heaton Toaster

>> 2 wide toast slots for bagels and thicker slices
>> 6 adjustable browning levels
>> "Lift & Look" function - check your toast without stopping the process
>> Lifting function for safe removal of the bread slices
>> Crumb tray for a clean work surface

Russell Hobbs Heaton toaster - perfection down to the last sliceWith the Russell Hobbs Heaton toaster, you not only bring functionality but also style to your kitchen. The two wide toasting slots provide space for thick slices of bread or bagels, while the six adjustable browning levels allow you to achieve the perfect toasting result.Thanks to the "Lift & Look" function, you can check the degree of browning of your toast without interrupting the toasting process. The practical lift function makes it easier to remove the toast safely. The removable crumb tray ensures a clean work surface.The elegant stainless steel design fits perfectly into any modern kitchen and makes the Heaton toaster a real eye-catcher. Whether you prefer crispy toast or golden brown bagels, this toaster will fulfill your wishes.
